**BY THE COMMISSION:**

**Angela Rapp Weber, Administrative Law Judge**

On May 2, 2008, BLC Management LLC ("BLC Management") filed with the Indiana Utility Regulatory Commission ("Commission") its Application for a Certificate of Territorial Authority ("CTA Application"). Then, on May 22, 2008, the Presiding Officer in this Cause issued a docket entry explaining that BLC Management used an outdated CTA Application. The docket entry requested that BLC Management resubmit its CTA Application using the updated form and instructions located on the Commission's Web site.

On September 15, 2008, BLC Management submitted its CTA Application using the Commission's updated form and instructions. However, BLC Management submitted its CTA Application under a new Cause Number—Cause Number 43571. Consequently, this Cause is dismissed.

**IT IS THEREFORE ORDERED BY THE INDIANA UTILITY REGULATORY COMMISSION that:**

1. BLC Management's Application for a Certificate of Territorial Authority submitted under the current Cause Number, Cause Number 43495, is hereby dismissed.
2. This Order shall be effective on and after the date of its approval.
